CERTIFICATE OF PARTICIPATION

\* EVAL in the grade column indicates that CTY does not normally award a grade for the course, but instead provides students with a narrative evaluation written by the instructor. Students in clubs do not receive an evaluation. CTY awards letter grades for these courses if a grade is required to obtain school credit or placement (parents submit a written request). In these cases, the grade is indicated in parentheses. ENROLLED indicates that the course has not ended as of the date of this document.
